Mr. Dale A. Gabardy
10718 Timberridge Road
Fairfax Station, VA 22039

PIN #'s affected – 7908-33-6249, 7908-53-3023, 7908-34-4665

Dear Mr. Gabardy:

As the agency responsible for E911 addressing administration and street naming, and at the request of the Fauquier County Board of Supervisors, I would like to ask for your assistance and feedback regarding a proposal to change the official street names of portions of VA Rt. 674, Georgetown Road, and VA Rt. 628, Blantyre Road.

A property owner along the northern-most segment of Rt. 628, Blantyre Road has asked the Board of Supervisors to consider approving the re-naming of Blantyre Road, north of its intersection with Rt. 674, to Trapp Branch Road. They are also requesting that the portion of Rt. 674, Georgetown Road, north of its intersection with Blantyre Road be re-named to Blantyre Road. I have attached a copy of a map of the area with the proposed changes marked for clarity.

Some potential impacts and issues are as follows:

- The Virginia Department of Transportation (VDOT) will not consider changing the posted route numbers on either segment of roadway. The portion of Georgetown Road, Rt. 674, would change to Blantyre Road, which is posted as Rt. 628, however the route number would remain Rt. 674 for that segment. The portion of Blantyre Road, Rt. 628, would change to Trapp Branch Road, however the route number would remain posted as Rt. 628, which is Blantyre Road's route number. This may cause further confusion to those traveling the affected roadways.
- All addresses along the affected segments of roadway will have to be re-assigned. This would make it necessary for property owners to change addresses on checking accounts, mortgages, stationary, etc.
- This change would not be reflected on currently published maps and mapping services such as the ADC Map Company maps, MapQuest Internet mapping service, Google Internet mapping service, VDOT's published street map, etc. This may add further to the confusion of those using this type of service or published maps to navigate the roadways.

April 19, 2006

OWNER - Dale Gabardy

With these things in mind, please take a moment to answer the brief survey below which will help the Board of Supervisors determine their decision. Feel free to expand on your answers.

Please feel free to contact us - we own 2 sides of the gravel portions of Blantyre. totaling approx. 161 Acres and will be full time residents when home is completed.

Thank you Robin Gabardy

703-250-5552

Question 1.	Do the current road names and route numbers (without the proposed change) pose any general health, safety, or welfare issues for residents along these segments of roadway? If yes, please explain.	<u>Your answer to Question 1:</u> Since purchasing our property we have assisted lost people this included police & Rescue and even a funeral. Large tractor trailers end up on the gravel portion as well.
Question 2.	If the decision is made to change the road names to the proposal explained in the body of this letter, would it pose any general health, safety, or welfare issues for residents along these segments of roadway? If yes, please explain.	<u>Your answer to Question 2:</u> It may save lives!
Question 3.	Do you understand the potential impacts and <u>support</u> the proposed road name change request? If you support, please explain.	<u>Your answer to Question 3:</u> Positive impact! It will clear up the names at both ends of the gravel portion of Blantyre & Georgetown.
Question 4.	Do you understand the potential impacts and <u>do not support</u> the proposed road name change request? If you don't support, please explain.	<u>Your answer to Question 4:</u> 

Thank you for your time. If you would please return this short survey to my attention, I will compile your answers and forward to the Board of Supervisors for their further consideration. Your help in providing the Board with your feedback before this important decision is made, is greatly appreciated. Please feel free to contact me directly at 540-347-8779 or by email at Lori.Hertig@fauquiercountygov if you have any questions or concerns.

Sincerely,

Lori Hertig

Dear Property Owner:

As the agency responsible for E911 addressing administration and street naming, and at the request of the Fauquier County Board of Supervisors, I would like to ask for your assistance and feedback regarding a proposal to change the official street names of portions of VA Rt. 674, Georgetown Road, and VA Rt. 628, Blantyre Road.

A property owner along the northern-most segment of Rt. 628, Blantyre Road has asked the Board of Supervisors to consider approving the re-naming of Blantyre Road, north of its intersection with Rt. 674, to Trapp Branch Road. They are also requesting that the portion of Rt. 674, Georgetown Road, north of its intersection with Blantyre Road be re-named to Blantyre Road. I have attached a copy of a map of the area with the proposed changes marked for clarity.

Some potential impacts and issues are as follows:

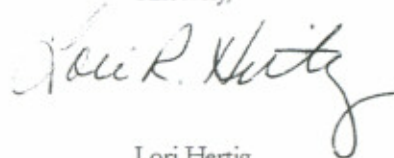

- The Virginia Department of Transportation (VDOT) will not consider changing the posted route numbers on either segment of roadway. The portion of Georgetown Road, Rt. 674, would change to Blantyre Road, which is posted as Rt. 628, however the route number would remain Rt. 674 for that segment. The portion of Blantyre Road, Rt. 628, would change to Trapp Branch Road, however the route number would remain posted as Rt. 628, which is Blantyre Road's route number. This may cause further confusion to those traveling the affected roadways.
- All addresses along the affected segments of roadway will have to be re-assigned. This would make it necessary for property owners to change addresses on checking accounts, mortgages, stationary, etc.
- This change would not be reflected on currently published maps and mapping services such as the ADC Map Company maps, MapQuest Internet mapping service, Google Internet mapping service, VDOT's published street map, etc. This may add further to the confusion of those using this type of service or published maps to navigate the roadways.

With these things in mind, please take a moment to answer the brief survey below which will help the Board of Supervisors determine their decision. Feel free to expand on your answers.

Question 1.	Do the current road names and route numbers (without the proposed change) pose any general health, safety, or welfare issues for residents along these segments of roadway? If yes, please explain.	Your answer to Question 1: <i>Yes - Confusion on leaving Rt 55</i>
Question 2.	If the decision is made to change the road names to the proposal explained in the body of this letter, would it pose any general health, safety, or welfare issues for residents along these segments of roadway? If yes, please explain.	Your answer to Question 2: <i>NO</i>
Question 3.	Do you understand the potential impacts and <u>support</u> the proposed road name change request? If you support, please explain.	Your answer to Question 3: <i>Yes - Clarify Road names</i>
Question 4.	Do you understand the potential impacts and <u>do not support</u> the proposed road name change request? If you don't support, please explain.	Your answer to Question 4: <i>Yes - I understand and do support the road name change.</i>

Thank you for your time. If you would please return this short survey to my attention, I will compile your answers and forward to the Board of Supervisors for their further consideration.
